BUSINESS CARD BRIGADE

Pick up as many business cards as you can find, at any retail business, such as local hair salons, coffee shops, restaurants and stores. Many establishments allow people to share their business cards on bulletin boards or countertops. Events are great venues to pick up business cards, like seminars, trade shows, and other business events or expos. We seek business cards from all types of businesses and organizations, from all types of professions.

Everywhere you go, please think of Community Projects for Seniors and Jeffery Hansen... put on your SuperHero cape, grab as many businesses cards as you can, and mail them to Comm Proj Seniors.

MAIL OR BRING ALL BIZ CARDS TO:
