

## HELP US FILL CARE PACKAGES BY HOLDING A **PRODUCT DRIVE** AT YOUR WORKPLACE

**Collect paper towels, toilet paper, and facial tissue**

Volunteers deliver care packages throughout the year, on a rotating basis among the 200 low-income senior citizen buildings we serve within 50 cities of S.E. Wisconsin.

Care packages contain:

- \* paper towels
- \* toilet paper
- \* facial tissue.

Care packages also contain several other items, such as bar soap, a wash cloth, a kitchen rag, a scrubby sponge, a large-print puzzle book, and some kitchen-size trash bags.

Getting a care package from us, frees up a few dollars, and shows seniors they are not forgotten. We also use paper towels and toilet paper for bingo prizes and door prize gifts, at social gatherings throughout the year.

We are asking groups and businesses to hold a very simple Product Collection Drive at their workplace, church, school, or other appropriate gathering place.

If you would like more details about you can help us fill those care pkg tote bags for needy seniors, please call Colleen at 414.708.6545 or Jeffery at 414.708.2413.
